

I would like to share an update with you on media appearances, committee hearings, and in-district events that I have had in the last few weeks of the 118th Congress. It is an honor to continue fighting for you!

Open House in Houston

Thank you to all our friends and neighbors for joining us for an excellent Meet & Greet. I will always make myself available for your questions and feedback. We work for you and it's an incredible honor to keep fighting for our values in DC!
